Describer: Header reads – Make a difference of a life time. Teach. - Teach California – Your first step toward becoming a teacher is just one click away.

Describer: A teacher sitting in her classroom participating in an interview.

There were a whole series of steps. There was a behavior management component, lesson planning component.

Describer: A teacher working with her students in the classroom.

Psychology classes that we had to take. There was just a whole range that we went through. Probably the most important thing was the cohort.

Describer: A teacher sitting in her classroom participating in an interview.

Where we'd meet regularly with other teachers. Some were at the high school, some were at the middle school, and we shared our experiences. We learned a lot from that, from each other.
